MASTER SERVICES AGREEMENT

SAMPLE AGREEMENT - FOR PRODUCT DEMONSTRATION

Client Id	C-2003
Client Name	Summit Freight Solutions
Agreement Id	SUMMIT-MSA-001
Agreement Type	MSA
Version	1.0
Effective Date	2026-01-01

This sample agreement records the terms on which Apollo Wheels LLC provides fleet management services to Summit Freight Solutions, LLC.

SECTION: 1. Parties and purpose

This Master Services Agreement is made on 1 January 2026 between Summit Freight Solutions, LLC, a Delaware limited liability company with offices at 100 Sample Way, Dover, Delaware 19901 (Customer), and Apollo Wheels LLC, a Delaware limited liability company with offices at 200 Example Avenue, Dover, Delaware 19901 (Provider).

Customer operates a fleet of light commercial vehicles throughout the United States. Provider will provide the services selected in Schedule 1, and Customer will pay the charges stated in that Schedule.

SECTION: 2. Definitions and interpretation

Covered Vehicle means a vehicle included in the Customer fleet and approved for a selected service. Driver means an individual authorised by Customer to operate a Covered Vehicle. Fees means the recurring and one-time charges stated in Schedule 1 and Schedule 2. Services means the selected fleet management services described in this Agreement and the Schedules.

References to a Schedule are references to a schedule forming part of this Agreement. If there is a conflict, this Agreement governs except that a commercial term expressly stated in Schedule 1 or Schedule 2 governs for the relevant service or charge.

SECTION: 3. Services and service scope

Provider will deliver each selected Service with reasonable skill and care, using suitably qualified personnel, systems and suppliers. The selected Services, charge basis, rates, billing cadence and initial quantity basis are stated in Schedule 1.

Provider will maintain a service desk for operational enquiries during normal United States business hours. Emergency safety and accident reporting will be available at all times through the designated incident channel.

Services do not include vehicle acquisition funding, insurance underwriting, legal advice, tax advice, or work outside the selected Services unless the Parties agree a written change order stating scope, price and implementation date.

SECTION: 4. Customer responsibilities

Customer will provide complete and accurate fleet, driver, vehicle, mileage and operating information reasonably needed for the Services. Customer will keep its authorised contacts current and will ensure that its drivers comply with applicable law, vehicle policies and reasonable safety instructions.

Customer remains responsible for decisions about vehicle use, driver employment, route selection, cargo, regulatory permits, taxes, fines and any activity not expressly delegated to Provider. Customer will promptly notify Provider of material changes to fleet size, territory or operating requirements.

SECTION: 5. Fees, invoicing and payment

Provider will invoice recurring Fees monthly in arrears and any one-time charge in the first applicable billing period. Each invoice will identify the relevant service, quantity, rate, charge basis and billing period. Payment is due within 30 days after invoice date in United States dollars.

Customer must notify Provider of a good-faith invoice dispute within 15 days after invoice date, with enough detail to identify the disputed item. Customer will pay undisputed amounts when due. The Parties will work in good faith to resolve a disputed amount promptly.

Provider may change a rate only through a written change order signed by both Parties. Taxes, duties and government charges are excluded from the Fees unless expressly included in a Schedule.

SECTION: 6. Service management and records

Provider will provide monthly service reports covering selected-service activity, material incidents, open actions and agreed performance measures. The Parties will hold a monthly operational review and a quarterly commercial review.

Provider will keep records reasonably necessary to support invoices and service reporting for at least 24 months after creation. On reasonable notice, Customer may review records directly related to an invoice, subject to confidentiality and information-security safeguards.

SECTION: 7. Data, confidentiality and security

Each Party will protect the other Party's Confidential Information and use it only to perform or receive the Services. Confidential Information may be disclosed to personnel and suppliers who need it for that purpose and who are bound by equivalent confidentiality obligations.

Provider will apply reasonable administrative, technical and physical safeguards to Fleet Data. Customer retains ownership of its Fleet Data. Provider may use aggregated and de-identified data to operate, secure and improve its services.

SECTION: 8. Compliance, insurance and suppliers

Each Party will comply with laws applicable to its performance under this Agreement. Provider may use qualified suppliers to perform part of the Services but remains responsible for their

performance as if it were its own.

Each Party will maintain insurance customary for its business and sufficient to meet its obligations under this Agreement. Customer will maintain insurance and registrations required for its Covered Vehicles and operations.

SECTION: 9. Liability and indemnities

Neither Party is liable to the other for indirect, special, incidental, punitive or consequential loss, or for loss of profit, revenue, goodwill or anticipated savings. This exclusion does not apply where such exclusion is prohibited by law.

Each Party's aggregate liability arising from this Agreement in a contract year is limited to the Fees paid or payable for the affected Services in that contract year, except for fraud, wilful misconduct, death or personal injury caused by negligence, breach of confidentiality, or liabilities that cannot lawfully be limited.

Each Party will indemnify the other against third-party claims to the extent caused by its breach of law, negligence or wilful misconduct in connection with this Agreement, subject to the liability provisions above.

SECTION: 10. Term, termination and transition

This Agreement begins on the Effective Date and continues for an initial term ending 31 December 2028. It renews for successive one-year periods unless either Party gives at least 90 days' written notice before the end of the then-current term.

Either Party may terminate this Agreement for material breach if the breach is not cured within 30 days after written notice. Either Party may terminate immediately if the other Party becomes insolvent or ceases a material part of its business.

On termination, Provider will provide reasonable transition assistance for up to 90 days at the applicable Schedule 1 rates, and will return or securely delete Customer Fleet Data as directed, subject to legal retention obligations.

SECTION: 11. General terms

Neither Party may assign this Agreement without the other Party's written consent, except to an Affiliate or successor in connection with a merger, sale or reorganisation. This Agreement and its Schedules are the entire agreement about their subject matter and may be amended only in writing signed by both Parties.

A notice under this Agreement must be in writing and delivered to the registered office above, with a copy to contracts@example.com. Delaware law governs this Agreement, and the state and federal courts located in Delaware have exclusive jurisdiction.

SECTION: 12. Signature blocks

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their authorised representatives.

CUSTOMER: Summit Freight Solutions, LLC

By: _____ Name: Authorised Signatory Title: Authorised Representative Date: 1 January 2026

PROVIDER: Apollo Wheels LLC

By: _____ Name: Authorised Signatory Title: Authorised Representative Date: 1 January 2026

Schedule 1 forms part of this Agreement. Each service section below states the service scope, selection status, billing basis, recurring charge and initial quantity basis.

SECTION: Schedule 1.1 - Fuel

Fuel is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: FUEL. Status: Included. Charge: monthly account fee. Rate: USD 3.50 per account month. Billing: monthly on day 1. Quantity basis: the Customer account.

Because this Service is included, Provider will perform the activities described above for the applicable quantity basis and will report material service activity in the monthly service report. Customer will provide timely information, approvals and access reasonably needed for delivery.

SECTION: Schedule 1.2 - ITR

ITR is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: ITR. Status: Included. Charge: monthly per vehicle. Rate: USD 4.75 per vehicle month. Billing: monthly on day 1. Quantity basis: 300 covered vehicles.

Because this Service is included, Provider will perform the activities described above for the applicable quantity basis and will report material service activity in the monthly service report. Customer will provide timely information, approvals and access reasonably needed for delivery.

SECTION: Schedule 1.3 - MAP

MAP is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: MAP. Status: Included. Charge: monthly per vehicle. Rate: USD 6.00 per vehicle month. Billing: monthly on day 1. Quantity basis: 300 covered vehicles.

Because this Service is included, Provider will perform the activities described above for the applicable quantity basis and will report material service activity in the monthly service report. Customer will provide timely information, approvals and access reasonably needed for delivery.

SECTION: Schedule 1.4 - RR

RR is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: RR. Status: Included. Charge: monthly account fee. Rate: USD 7.25 per account month. Billing: monthly on day 1. Quantity basis: the Customer account.

Because this Service is included, Provider will perform the activities described above for the applicable quantity basis and will report material service activity in the monthly service report. Customer will provide timely information, approvals and access reasonably needed for delivery.

SECTION: Schedule 1.5 - Toll

Toll is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: TOLL. Status: Included. Charge: monthly per vehicle. Rate: USD 8.50 per vehicle month. Billing: monthly on day 1. Quantity basis: 300 covered vehicles.

Because this Service is included, Provider will perform the activities described above for the applicable quantity basis and will report material service activity in the monthly service report. Customer will provide timely information, approvals and access reasonably needed for delivery.

SECTION: Schedule 1.6 - Violation

Violation is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: VIOLATION. Status: Included. Charge: monthly per vehicle. Rate: USD 9.75 per vehicle month. Billing: monthly on day 1. Quantity basis: 300 covered vehicles.

Because this Service is included, Provider will perform the activities described above for the applicable quantity basis and will report material service activity in the monthly service report. Customer will provide timely information, approvals and access reasonably needed for delivery.

SECTION: Schedule 1.7 - Collision

Collision is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: COLLISION. Status: Included. Charge: monthly account fee. Rate: USD 11.00 per account month. Billing: monthly on day 1. Quantity basis: the Customer account.

Because this Service is included, Provider will perform the activities described above for the applicable quantity basis and will report material service activity in the monthly service report. Customer will provide timely information, approvals and access reasonably needed for delivery.

SECTION: Schedule 1.8 - Insurance

Insurance is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: INSURANCE. Status: Included. Charge: monthly per vehicle. Rate: USD 12.25 per vehicle month. Billing: monthly on day 1. Quantity basis: 300 covered vehicles.

Because this Service is included, Provider will perform the activities described above for the applicable quantity basis and will report material service activity in the monthly service report. Customer will provide timely information, approvals and access reasonably needed for delivery.

SECTION: Schedule 1.9 - Mileage + Logging

Mileage + Logging is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: MILEAGE_LOGGING. Status: Not selected. Charge: monthly per vehicle. Rate: USD 13.50 per vehicle month. Billing: monthly on day 1. Quantity basis: 300 covered vehicles.

This Service is not selected for the initial term. Provider has no obligation to perform it and Customer will not be charged for it unless the Parties add it through a written change order stating scope, rate and effective date.

SECTION: Schedule 1.10 - Telematics

Telematics is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: TELEMATICS. Status: Not selected. Charge: monthly account fee. Rate: 1.50 percent of monthly spend. Billing: monthly on day 1. Quantity basis: the Customer account.

This Service is not selected for the initial term. Provider has no obligation to perform it and Customer will not be charged for it unless the Parties add it through a written change order stating scope, rate and effective date.

SECTION: Schedule 1.11 - Rentals

Rentals is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: RENTALS. Status: Not selected. Charge: monthly per vehicle. Rate: USD 16.00 per vehicle month. Billing: monthly on day 1. Quantity basis: 300 covered vehicles.

This Service is not selected for the initial term. Provider has no obligation to perform it and Customer will not be charged for it unless the Parties add it through a written change order stating scope, rate and effective date.

SECTION: Schedule 1.12 - MVR + Safety

MVR + Safety is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: MVR_SAFETY. Status: Included. Charge: monthly per driver. Rate: USD 17.25 per driver month. Billing: monthly on day 1. Quantity basis: 360 covered drivers.

Because this Service is included, Provider will perform the activities described above for the applicable quantity basis and will report material service activity in the monthly service report. Customer will provide timely information, approvals and access reasonably needed for delivery.

SECTION: Schedule 1.13 - Remarketing

Remarketing is a fleet-management service for the Customer's operating fleet. Provider will maintain the operational workflow, service records and customer support appropriate to this service, subject to the scope and service-management terms in this Agreement.

Service code: REMARKETING. Status: Not selected. Charge: monthly account fee. Rate: 25.00 basis points of transaction value. Billing: monthly on day 1. Quantity basis: the Customer account.

This Service is not selected for the initial term. Provider has no obligation to perform it and Customer will not be charged for it unless the Parties add it through a written change order stating scope, rate and effective date.

Schedule 2 - One-time charges

The one-time onboarding and configuration charge is USD 250.00, payable in the first billing period.

Schedule 2 - One-time charges

Service	Charge	Description	Amount	Quantity
FUEL	Activation	One-time setup	USD 250.00	1 account
